| None                     | 1 – most docile          |  |   |  |         |         |
| Star                     | 2                        |  |   |  |         |         |
| Swirl                    | 3                        |  |   |  |         |         |
| ¼                        | 4                        |  |   |  |         |         |
| ½                        | 5                        |  |   |  |         |         |
| Full                     | 6                        |  |   |  |         |         |
| Blaze                    | 7                        |  |   |  |         |         |
| Snip                     | 8                        |  |   |  |         |         |
| Stripe                   | 9                        |  |   |  |         |         |
|                          | 10 – most volatile       |  |   |  |         |         |

Quite a looker! Trusting, calm, sweet and gentle. Leads well.
